

## **CHRISTIAN, DO YOU KNOW WHAT AN IMPORTANT DAY OCTOBER 31ST IS?**

Most people, Christians and non-Christians alike, think of October 31st as Halloween—a day set aside to have a lot of fun. In reality, it is in honor of witches, warlocks, and every evil spirit.

Because Halloween has become such a problem in recent years, the schools and churches have tried to control the activities of the young people, by offering programs of their own. However, we still read year

after year about how some child was given a razor blade or some type of harmful object in their treat. Just think of the cruel things that are happening in the pretence of fun during October 31st. Most of these crimes are hidden from the public. Surely Halloween doesn't make October 31st anything special.

October 31st is special because:

It was the beginning of the Reformation.

Martin Luther risked his life.

He stood up against religious ignorance during his time.

He revealed that no church is able to save us, only Jesus.

The Bible, which is the inspired word of God, has 66 different books and many different writers, who lived in different places and at different periods of time, is the world's only true authority on eternal life.

We are saved by faith and not by works.

God will save all who come to Him, by His Son, Jesus, who loves us and gave His life for us.

Make October 31st a special day in your life and accept Jesus as your Saviour now.

Humbly ask Jesus to be Lord and Master of my life. Come into my heart and forgive me of my sins on October 31st.

Richard Blake
